## Activity Program

**Sunday.** Transfer from the airport to the accommodation. After dinner, you'll get all information's needed. Relax in the sauna. Information for late arrivals information next morning.

**Monday.** Equipping and preparing for the snowmobile safari. Driving and safety instructions before starting to a 40-60 km long tour on challenging trails, through wild forest, wide swamps and lakes. You may meet reindeers and birds and see traces from moose and snow hares. On the way, lunch will be served by an open fire. Duration of the tour is about 4-5 hours. Two people share a snowmobile. On request, single snowmobile driving is possible with extra price. Clients self response in case of crashing snowmobile is 500 € maximum.

**Tuesday.** Transfer to the husky farm for a whole day tour. A hundred huskies and your guide welcome you on Finn-Jann! Now, you will get all informations for the coming day and instructions how to handle the dogs and the sledge. We will drive a tour with two person per dogteam. One is driving and one is sitting in the sledge. Change from driver during the tour. Lunch is served by an open fire on the tour. Driving distance depending on the weather conditions between 15-40 km.

**Wednesday.** Sliding cross country skiing day. Explore the tracks around the arctic forests on a 3 hour cross country skiing tour. If the conditions allow we as well can try to go off tracks.

**Thursday.** Today we visit a reindeer farm. We hear many funny and interesting stories about reindeers and the culture around them. We can join feeding the reindeer. A warm coffee is served during our stay. This visit takes about 3 hours.

**Friday.** A snowshoeing tour through the beautiful surrounding of the forest border. Enjoy the fresh air, the silence of winter and learn about the Finnish nature and wildlife. A warm drink is served on the tour. Snowshoeing time approx. 2 hours.

**Saturday.** Free day to explore the surroundings on your own. Visit the village, join our other activities, go downhill skiing or just relax and enjoy the wellness and sauna.

**Sunday.** After breakfast transfer to the airport.

The order of the days is variable and depending on weather and group conditions. On request, it is possible to join a two day husky-tour instead of snowshoeing and a free day. Additional price € 300.

## Accommodation

### Cottages.

Right below the top of the almost treeless mountain Iso Syöte are several cottages beautifully situated with a great view. The cottages are fully equipped: shower/toilet, kitchen appliances, fireplace, TV, furniture and tableware, private sauna and bed linen for up to 4 persons. The cottages provide excellent access to a multitude of winter sporty activities.

### Hotelli Iso Syöte.

is situated right on the top of the mountain Iso Syöte, a top right on the tree border. All the rooms are on two floors, with a great view and equipped with shower/toilet. Snowmobiling and winter hiking starts from the hotel yard. As well it is the trailhead for cross country skiing. All rooms are equipped with TV, toilet and shower. For guests the sauna and swimming pool use is free of charge.

### Group size

Min 2 person
