## Activity Program

### Arrival to Lappis (included)

Transfer from the airport to Lappeasuando. Check in to the rooms in Lappis Lodge. All our guests will be provided with warm clothing. Welcome and information together with the hosts. Depending on arrival time, there will be time to experience for the first time sauna!

### Overnight in a luxury wilderness camp (included)

It's a cosy and rustic camp situated very beautiful on the riverbank of Kalix. We reach the camp by own force or even snowmobile transport. Coffee and typical Swedish sweets will be served in the wilderness restaurant before we all together start to prepare the camp for having sauna and staying overnight. Later we relax our muscles from the today's action and enjoy the very original wooden heated sauna. Hungry we will enjoy a nice dinner, prepared by our guide in the wilderness restaurant. Overnight in 2 – 5 persons sleeping kotas.

### Departure – Icehotel visit Jukkasjärvi (included)

After the breakfast we start to go back direction of Kiruna. Short before the airport, we turn off the main road to the village Jukkasjärvi, where the world famous Icehotel is located. Our visit there will stay in your mind still a long time! Have a good trip back home...

## Activity package

### Snowshoe tour on the traces of animals

After breakfast buffet we start to explore the close surrounding of our Lodge. With snowshoes we marvel the beautiful snowy trees in the forest, listen to the snow under our shoes while discovering the great riverland, swamps and lakes. Later in the season we already will hear the first birds singing... duration of the tour approx. 2 - 3 hours. Lunch in the Lodge after return.

### Kick-sledge tour with our lovely huskies

With the traditional Swedish kicksledges and one husky we take off for a tour across prepared tracks and trails in our close wilderness – an unforgettable experience with a lot of fun! The huskies will work hard for us... We stop, relax on an open fire and enjoy something to eat – incl. a fried sausage - like in early childhood! Duration of the tour approx. 2 – 3 hours.

### Snowskooter safari through the arctic wilds

After our guide introduced us to the driving technic of snowmobiles we start for a snorting tour around the Lappeasuando wilderness. 2 persons share one machine. We can switch the driver several times if we want. Enjoy the speed... and maybe we meet some reindeers on our way, see traces of hares, moose and birds... on a beautiful frozen lake we take a break and enjoy a simple lunch around an open fire. Once more a great ride brings us back home to Lappis. Duration of the tour approx. 4 – 5 hours.

**Beside the package all the following activities can be booked as well, additionally or instead:**

### How to build an igloo? Explore it... - € 145/person

Today we get to know, how to build an igloo – until we get the round beauty. To sleep on a reindeer skin in an igloo is to experience the warmth in the cold winter night. Feel free to try it out! Otherwise stay like usual in our cosy rooms!

### Husky safari to the Kaitum reserve – € 195/person

After meeting these lovely animals we hear a lot about their training, handling and grooming up, we will get as well an introduction how to drive the team. Our guide will explain us all we need to enjoy a exciting ride with a husky team. Two guests share one husky team. Both will have the chance to get the feeling of driving. We enjoy our tour through the Kaitum nature reserve, an untouched very beautiful area. During the tour we will have a lunch on an open fire before we continue our trip back to the Lodge. Duration of the tour approx. 4 – 5 hours.

### 2-days Husky safari in Kaitum reserve – € 370/person

On this trip you will have the possibility to get to know more of the outdoor life in Arctic Lapland. We invite you for a 2 days tour with the huskies. These brilliant animals will carry us through the fantastic landscape of national parks in winter. You get to know all about the real life of the mushers (those who drive dogsled). Two guests share one husky team. Both will have the chance to get the feeling of driving. This overnighttour accommodates us in a cosy cottage in the forest.

### Sami camp and reindeer drive – € 145/person

Today we will meet Samish friends as our hosts. We will learn how to throw the lasso and also get the chance to try out to do some reindeer sledding. A meal (typical Samish) will be served while the Samish tell us lots of interesting things of their culture and reindeer husbandry. Approx 3 – 4 hours.

### Icefishing – € 85/person

Try your luck with icefishing! The most traditional activity among the Swedish population! With an ice screw and fishing equipment we head out to the river... do you catch the dinner yourself? Duration of the tour is approx. 2 – 3 hours
