Summer supplement

Summer Joy

During our usually dry and warm summers, the sun only sets for a couple of hours. With almost 24 hours daylight there is plenty of time to enjoy the breath-taking nature.

The large number of marked trails, leading through typical Finnish forests, offers you great possibilities to go hiking and biking. Along the trails you will always find a resting place to make a fire and experience the Finnish way of living.

The numerous waters in the area are well known for its large opportunities to go paddling and fishing. From the beginning of June until the end of August the lakes and rivers give you the change to catch fish such as grayling, trout, pike and perch.

Introduction in Nordic Walking

The techniques are very easy to learn. Experience the immediate and positive results of this full body workout, while enjoying the Finnish nature.

(2 hours, 25 €)

Mountain biking around Taivalvaara

The tour leads through forests, along swamps, lakes and rivers, while we use small forest roads and single trails and enjoying our lunch around a fire in the neighborhood of Pahkakuru, where a stream flows between the steep walls of the gorge formation. **(ca. 20 km., 4-6 hours, 50 €)**

Canoeing on the rivers of Taivalvaara

Both rivers Iijoki and Kostonjoki are well known for their excellent canoeing opportunities, for beginners as well as for the experienced ones. During lunch around fire you get the chance to experience real Finnish lifestyle by making "black pot coffee" and grilling sausages.

(4-6 hours, 70 €)

Hiking in unspoiled nature

Give yourself the chance to experience the wilderness, the silence and the astonishing clear waters of hiking area "Soiperoinen" by coming along on this guided hiking trip where the lunch will be served around a fire.

(ca. 4 hours, 50 €)

Village Visit

Get to know a typical Finnish village during the guided village tour and a visit to the 120 year old shop Jalavan Kauppa. You have the possibility to buy souvenirs and we enjoy our coffee in a traditional cafe. **(ca. 3 hours, 35 €)**

Nordic Walking adventure

Test your skills during this day tour by taking the most difficult trails leading over the hills of Taivalvaara. On an open fireplace we enjoy Finnish outdoor life by grilling sausages and making "blackpot-coffee". **(ca. 5 hours, 55 €)**

Training your NW technique

If you are already a little bit used to the techniques of Nordic Walking and want to improve your skills, join our morning tour, leading over the more demanding trails of the Nature.Fitness.Park®.

(ca. 3 hours, 40 €)

Husky farm Visit

Get to know all about the lovely sled dogs! During your visit at the husky farm your host tells you everything about the life of a sled dog and invites you for a traditional coffee in a Lappish Tippy.

(ca. 3 hours, 20 €)

Fishing Adventures

The fishing waters of Taivalvaara provide lots of challenges for you, whether you are experienced or a beginner.

You can choose to fish on your own or take advantage of the skills of our local fishing guides, who will show you the best spots and, when necessary, introduces you with the fishing techniques and equipment.

Introduction fishing

If you are not yet experienced and want to learn the basics, the guide will show you the best places and the techniques used for river fishing or lake fishing with your spinning rod. After this introduction you will be able to go out on your own to try your luck. **(ca. 2 hours, 35 €)**

Evening fishing

Enjoy the summer nights of Taivalvaara, when the sun never sets, while fishing along the river or the lake. The guide brings you to the best places where you have the chance to catch grayling, trout, pike or perch. During the evening you can enjoy Finnish outdoor life by making "black pot coffee" and grilling sausages around a fire.

(3 - 4 hours, 60 €)

River fishing

Both rivers Iijoki and Kostonjoki, running through the nature of Taivalvaara, are well known for their great opportunities to spinning and, for the experienced fisherman, even fly fishing. Together with the guide you can explore the easy flowing parts of the river or one of the many rapids. Lunch or dinner is around open fire and if the circumstances allow it, of course your own fish will be served. **(6 - 8 hours, 95 €)**

Trolling

During this trip we offer you the possibility to experience the modern style of professional fishing on one of the great lakes in Taivalvaara area. The use of a fully equipped fishing boat and experienced guides are a guarantee for success. There are even possibilities to catch some lake salmon. **(6-8 hours, 120 €)**

Fishing wilderness adventure

For real nature lovers we organise an overnight fishing trip with possibilities to lengthen with more overnights in the forest. During this trip we will go back to basic, not using any motorized vehicles once arrived on our start place.

We spend the night in tents or wilderness cabin, while you have the chance during the night to enjoy the fishing in the midnight sun and have good opportunities to observe moose, reindeer, foxes and other Finnish wild life strolling along the forest and rivers.

Our meals we prepare on a fire, if possible of course serving our own caught fish. We hike from one place to the other to find the best fishing spots. **(from 250 €)**
